

Faculty of Foreign Languages

Study program: Professional Master in French language teaching

Course Title: Didactics of the grammar

Course Credits: 6

Language of Instruction: French

Course Description:

The lecture classes deal with issues such as the importance of grammar in the acquisition and teaching of the French language, the linguistic and grammatical theories, the grammatical concept in language didactics, the teaching of grammar in function of communication and the error correction.

In the seminar classes, didactic materials are analyzed, the teaching of French grammar is compared in the different methods that are currently used in Albania for teaching and learning the French language, theoretical documents are reflected on, different cases of grammatical errors are studied and the difficulties in learning the French language are highlighted.

Course Goals:

The course aims to help students, future teachers, to acquire different strategies for teaching the French grammar. The various activities and exercises should aim to develop in the student the ability to use the knowledge in concrete communicative situations.

Course Requirements:

- Attendance (the course has to be attended in 60% for the lecture classes and 75% for the seminar classes),
- Active Participation,
- Mid-term exams,
- Final exam.

Grading:

A final course grade will be the sum total of the points allocated to each completed requirement.

30 % is the active participation during the semester and 70 % the final exam.

Course Schedule:

The course is scheduled in one semester, 2 fifty-minute lecture classes and 2 fifty-minute seminar classes per week.
